

# Simple Thumb Immobilizer

## Ergonomic design

Well-considered design combines wearer comfort and effective performance.

## Environment

We take into account the patient as well as the environment.

## Comfort

The quality of our products shows itself in the level of comfort experienced.

This thumb immobilizer has two moldable stays with two Velcro closing straps and provides a medium light immobilization. The textile is 100% cotton in contact with the skin, therefore hygienic, comfortable and breathable. The brace is user friendly, totally openable and easy to wear.

## Indications:

- Arthrosis and mild thumb instabilities.
