

LombaSkin

Ergonomic design

Well-considered design combines wearer comfort and effective performance.

Environment

We take into account the patient as well as the environment.

Comfort

The quality of our products shows itself in the level of comfort experienced.

The LombaSkin is an effective, discreet back brace for resuming activities after back complaints. It offers high wearing comfort, thanks to the Combitex material, seamless design, and reinforced front panel. The integrated hand loops make it easy to put on.

Indications:

- A-specific back complaints
- Lumbar stenosis
- Mild to moderate back pain
