

Sling and Swathe

Ergonomic design

Well-considered design combines wearer comfort and effective performance.

Environment

We take into account the patient as well as the environment.

Comfort

The quality of our products shows itself in the level of comfort experienced.

The Sling and Swathe offers highly stable fixation of the shoulder and is exceptionally comfortable to wear. The Sling and Swathe is easy to apply. The shoulder and thoracic straps do not cause pressure points or discomfort. The sling is made of 100% cotton.
