

GenuPro Comfort

Ergonomic design

Well-considered design combines wearer comfort and effective performance.

Environment

We take into account the patient as well as the environment.

Comfort

The quality of our products shows itself in the level of comfort experienced.

The GenuPro Comfort is, through the use of specific materials, knitting techniques, and support elements, the knee brace for good, long-term, but above all comfortable daily support. The brace has a removable patella insert and two flexible lateral splints.

Indications:

- Pain in the knee or around the kneecap
- Mild patellar instability
- Patellar tendinopathy (jumper's knee)
- Pain and/or swelling in the knee
- Mild to moderate knee osteoarthritis

Available in the following sizes:

Article number	Upper leg circumference 15 cm above the knee	Calf circumference 12 cm below the knee	Size
234604-0	35 cm - 37 cm	29.5 cm - 32 cm	0
