

Rebel Reliever Brace

Ergonomic design

Well-considered design combines wearer comfort and effective performance.

Environment

We take into account the patient as well as the environment.

Comfort

The quality of our products shows itself in the level of comfort experienced.

The rigid unloading knee brace for unicompartmental knee osteoarthritis has been scientifically proven to be effective. Corrective Force technology allows the frame to be shortened or extended without tools (maximum 18 degrees correction).

Indications

- Antented adjustable unloading system
- Anatomical TM5+ hinges
- Flexion/Extension kit (adjustable without tools)
- Anatomically designed tibia frame for better fit

The Rebel Reliever is available in 6 standard sizes and 9 special sizes. These are combinations of different frames for the upper and lower sections.
