

# Basic Tri-Panel Knee Immobilizer

## Ergonomic design

Well-considered design combines wearer comfort and effective performance.

## Environment

We take into account the patient as well as the environment.

## Comfort

The quality of our products shows itself in the level of comfort experienced.

The Basic Tri-Panel Knee Immobilizer is a comfortable brace designed for immobilizing the knee. The tri-panel design allows for adjustable fit around the thigh and calf. The Basic Tri-Panel Knee Immobilizers are packaged in sets of three.
